MEMBERSHIP DRIVE RESULTS

The 2023 membership drive has come to a close and we are pleased to say the Chapter is at 72 members this year! Thank you to everyone who has joined the Chapter and welcome to our new members!

The Chapter plans to provide you with many networking and educational opportunities this year. Get excited because Chapter membership can lead to many new connections and resources! Read on to find how the Chapter's newest Board member, **Patti Oestreich**, got to where she is today:

"I attended the 2018 ISCEBS Symposium in Boston and had the opportunity to meet several members of the Twin Cities Chapter. I was invited to join the Membership Committee and thought it would be a great way to meet more benefit professionals in my area – and it was! I've met so many people the last few years – and continue to meet new people. I joined a few committees and was eventually invited to join the board. I am hopeful I can help continue the good work of the chapter to provide ongoing education and networking opportunities. I also hope to be a friendly face to invite others to join the chapter and share my knowledge and experience with them. I plan to continue my involvement with the chapter for my own enrichment too!"

CONGRATULATIONS ON EARNING YOUR DESIGNATION

Congratulations to **Carolyn Senko** on earning the GBA designation in March. Way to go!
